

MULTIPLICATION MADNESS

- I won't multiply 4 x 6.
- I can't multiply 4 x 6.
- I wish that I could multiply 4 x 6.
- I don't know how to multiply 4 x 6.
- I might multiply 4 x 6.
- What is it to multiply 4 x 6?
- I think that I can multiply 4 x 6.
- I *can* multiply 4 x 6.
- I *will* multiply 4 x 6.
- Four times six equals 24.
- I'm sure! *I'm sure!*
- But* what is 6 x 4?
